COLLEGE (8)

Mr. Simon Deiaco, Planner, Urban Services Unit, Development Review Services Branch, Planning and Growth Management Department, was present to respond to questions.

The Committee heard from Ms. Robin Jackson, who read from a letter prepared by Ms. Sharon Roy*, Meadowlands Steering Committee, on behalf of the community, in opposition to the recommendation on the basis of height and mass, landscape plan, fencing, traffic flow, performance standards and permitted uses under the Zoning By-law.

*[* Individuals / groups marked with an asterisk above either provided comments in writing or by email; all submissions are held on file with the City Clerk.]*

Ward Councillor Rick Chiarelli thanked Ms. Jackson and the Steering Committee for their work, undertaken on behalf of the community, but said he believed that the project would help the community address the issue of seniors' accommodation.

Messrs. Shawn Lawrence, Owner/Architect, and Greg Mignon, Novatech Engineering Consultants Inc., had registered to address the Committee to respond to questions, but did not speak, other than for Mr. Mignon to confirm that they had no issues with the report recommendation. The report recommendation was then put to Committee and was CARRIED, as presented.
