## **REPORT RECOMMENDATIONS**

**That the Finance and Economic Development Committee recommend Council approve the allocation of \$4 million from the City-Wide Reserve to fund the increased remediation works of the Goulbourn Recreation Complex.**

The Ward Councillor introduced the item to the committee.

Committee members asked staff questions focusing on past reviews of the complex, lessons learned, opportunity for growth of the complex with the remediation project and why these repairs are needed this early in the lifecycle of the complex.

Following these exchanges, the report recommendations were put to the Committee and CARRIED.
