BACKGROUND

City Council, on 13 June 2012, approved the 2013 Budget Process and Timetable for developing and approving the 2013 budget, indicating that the individual Committees,

Boards and Commission would hold meetings to listen to public delegations, review their respective budgets and make recommendations to Council. At that time, Council also approved that the City's 2013 draft tax supported operating and capital budgets would be tabled with Council at its regularly scheduled meeting of 24 October. The tax supported draft budget would be tabled along with the draft budgets for services that report to either a Commission or Board, namely Police, Transit, Public Health and Library services.

Further, Council also approved the following recommendation in conjunction with the report "2013 Proposed Budget Process and Timetable".

Direct each Standing Committee to work within the funding envelope for the budgets in their mandates, and that any additions to the budget will require offsetting reductions.

DISCUSSION

The 2013 Transit Commission Draft Operating and Capital Budget is being tabled with the Commission on October 24, 2012, for subsequent consideration and the hearing of public delegations on November 21, 2012. The Transit Commission recommendations will then rise to Council, sitting as Committee of the Whole, for consideration and approval on November 28, 2012.

RURAL IMPLICATIONS

The Agriculture and Rural Affairs Committee will review and make recommendations on those portions of the budget with Rural Implications.

CONSULTATION
