REPORT RECOMMENDATION:

That the Community and Protective Services Committee recommend Council approve the interim three-year strategy for the development of skateboard and BMX parks outlined in this report.

Chair Taylor stated that Councillor J. Harder was the driving force behind the report and asked her to share a few words on the report. Councillor Harder thanked staff and fellow Councillors for assisting in getting this report to where it is and in no small part to Mr. Aaron Cayer.

Councillor M. Fleury inquired on the inner City areas where space is very limited for a BMX park.

Following further questions by Committee members of staff, the report recommendations were then put to Committee and CARRIED as presented
