**OBJET: Proposition de nom commémoratif – terrains Ed-Lavery**

#### **REPORT RECOMMENDATION**

**That the Community and Protective Services Committee recommend Council  
approve the proposal to name the two sport fields at McCarthy Park, located at  
3320 Paul Anka Drive, “Ed Lavery Fields”.**

#### **RECOMMANDATION DU RAPPORT**

**Que le Comité des services communautaires et de protection recommande au Conseil d'approuver la proposition visant à nommer les deux terrains de sport du parc McCarthy, sis au 3320, promenade Paul Anka, « terrains Ed-Laverty ».**

## **BACKGROUND**

The Commemorative Naming Policy, approved by City Council on July 24, 2002, as amended, outlines the criteria and process for commemoratively naming municipal streets, parks and facilities (or parts thereof).

With respect to criteria, a commemorative name honours individuals who are (or have been) citizens of the City of Ottawa or who have made a specific contribution to the City of Ottawa and:

- Demonstrated excellence, courage or exceptional service to the citizens of the City of Ottawa, the Province of Ontario and / or Canada;
- Provided extensive community service, or who have an extraordinary community service record;
- Worked to foster equality and reduce discrimination;
- Where the nominated individual is a current City employee, the individual shall have made an outstanding contribution to the City of Ottawa outside of his/her capacity and duties as a City employee or they may be recognized for their exceptional service once they are no longer a City employee;
- The nominated individual has made a significant financial contribution to a park or facility and the contribution significantly benefits the community that the park or facility serves (i.e. the park or facility may not have otherwise been possible without the financial assistance);
- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario, or Canada.

Any member of the public or City Council may submit a name to the City for consideration through a formal Commemorative Naming application and supporting material.

Staff review the name against other criteria (e.g. potential issues for 9-1-1, whether there is an existing commemoration for the same nomination, etc.) and if there are no issues of this nature, forwards the nomination to the Commemorative Naming

Committee (“CNC”), consisting of the City Clerk and Solicitor, the General Manager, Planning, Infrastructure and Economic Development, the General Manager, Recreation, Cultural and Facility Services, the General Manager, Public Works and Environmental Services, the Mayor and the Ward Councillor or their respective designates; the CNC reviews the formal application.

As part of the process, the CNC provides an initial approval based on the policy’s criteria and the information provided by the nominator. Staff is then directed to ensure there is community support for the choice by initiating a 30-day public consultation phase. Where the proposal is to rename a park or facility, the Policy requires a 60-day public consultation phase.

Following the consultation process, the CNC reviews the public feedback and makes a final recommendation on the nomination, which is subsequently considered by the appropriate Standing Committee and City Council. In cases where no public objections are received, proposals are brought directly to the appropriate Standing Committee and Council without the need for a second CNC meeting.

## **DISCUSSION**

Tammy Laverty Hall and Gordie Laverty submitted an application to commemorate Ed Laverty, as described in Document 1. Under the proposal, two sport fields at McCarthy Park, located at 3320 Paul Anka Drive, would be named “Ed Laverty Fields”.

The CNC met on March 28, 2018 to review the application and endorsed the proposed name under the following criterion:

- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario or Canada.

In accordance with the Council-approved Commemorative Naming Policy, in cases where there is no objection received during the public consultation period, a report can be submitted directly to the appropriate Standing Committee and Council, without the reconvening of the CNC for a second meeting. As there was no objection to the proposal raised during the consultation period, the proposal is being brought directly to the Community and Protective Services Committee.

## **RURAL IMPLICATIONS**

There are no rural implications associated with this report.

**CONSULTATION**

An integral part of the Commemorative Naming Process is public consultation on the proposed name. On April 3, 2018, the City announced a 30-day public consultation on the proposed name. The relevant information was communicated through a public service announcement, the City of Ottawa Twitter accounts and posted to Ottawa.ca.

The 30-day public consultation period ended on May 2, 2018. The City Clerk and Solicitor's Office received 22 comments in support of the application and no comments in opposition.

**COMMENTS BY THE WARD COUNCILLOR(S)**

## Document 1

### **Ed Lavery Fields (Ward 16 – River)**

In recognition of the historical significance of Ed Lavery to the City of Ottawa, Province of Ontario, and Canada, the City of Ottawa has been asked to name the two sports fields within McCarthy Park, located at 3320 Paul Anka Drive, “Ed Lavery Fields”.

Ed Lavery was deeply passionate about sports and was instrumental in the development and growth of touch football, locally, provincially and nationally. Ed was the driving force behind the Ottawa Nepean Touch Football League (ONTFL), presided over Touch Football Ontario and helped launch Touch Football Canada. During his 50 years of devotion, Ed made significant strides in growing the ONTFL from six teams to hundreds of teams, creating divisions for all levels of play, including women’s and co-ed competition. Ed Lavery was inducted into the Ottawa Sports Hall of Fame in 2014 and received the Mayor’s Cup Award in 2013.

Through his work in the community, Ed also raised awareness and funds for causes such as Alzheimer’s and Cancer research.
