RECOMMANDATION DU RAPPORT

Que le Conseil municipal prenne connaissance de ce rapport.

BACKGROUND

On 11 June 2008, City Council approved a process for tracking formal Inquiries and Motions submitted at Standing Committees and Council. Included in this process was the requirement for Council to receive status updates on these motions and inquiries, at the second meeting of every second month. Accordingly, this report is being presented to Council for information.

DISCUSSION

As per the process approved by Council, this report includes the status of any outstanding Council inquiries. The report also includes the status of outstanding Council motions and directions to staff, with the actions that will be taken to ensure that both are addressed appropriately.

Consistent with Council's direction, the tracking and reporting of formal motions and inquiries is undertaken by the City Clerk and Solicitor's Office. Protocols have also been established within departments to ensure department-specific motions and inquiries are processed in a timely manner. In those instances where there may be a delay, Council will be provided with an explanation.

As of October 5, 2018 there are five outstanding City Council Inquiries. The list of outstanding Council Inquiries is set out below as Document 1. The departmental list of outstanding motions and directions to staff is attached as Document 2.
