### Site location

1964 Galetta Side Road

### Owner

Kurtis Wilson

### Applicant

Jeff Shipman

### Description of site and surroundings

This site is located on Galetta Side Road within Ward 5 in between Stonecrest Road and Ferry Road. The property is approximately 26.81 hectares in size. The property currently has a detached dwelling and accessory structures, which have frontage along Galetta Side Road.

### Summary of requested Zoning By-law amendment proposal

The application has been submitted in order to fulfill a condition of severance approval imposed by the Committee of Adjustment with respect to application D08-01-18/B-00197. The intent is to prohibit residential uses on the retained lands.

### Brief history of proposal

The lands to which the proposed Zoning By-law amendment applies were the subject of an application for a surplus farm dwelling severance. The severance request was

granted by the Committee of Adjustment on June 20, 2018 with a condition that the owner rezone the retained farmland to prohibit residential development.

The site is currently zoned Agriculture, Subzone 2 (AG2). This application proposes to rezone approximately 26 hectares of farmland to prohibit future residential uses in accordance with a condition of severance. The remaining land area of approximately 0.81 hectares, containing the residential dwelling and accessory structures, will remain zoned AG2.

## **DISCUSSION**

### **Public consultation**

Notification and public consultation was undertaken in accordance with the Public Notification and Public Consultation Policy approved by City Council for Zoning By-law amendments. No concerns were identified.

### **Official Plan Designations**

The property is designated Agricultural Resource Area as per Schedule A of the Official Plan. This designation protects prime agricultural areas from loss of lands to other uses. Severances are permitted for a surplus dwelling due to farm consolidation (Section 3.7.3.7). Section 3.7.3.8.b requires the vacant agricultural parcel to be rezoned to prohibit any future residential uses, and (8c) stipulates that the size of the severed lot be of a size that minimizes the loss of agricultural lands. This Zoning By-law amendment application satisfies the requirements of the Official Plan (Section 3.7.3.8.b) as conditioned by the Committee of Adjustment.

### **Planning Rationale**

This Zoning By-law amendment will affect approximately 26 hectares of agricultural land, as shown in Document 1. Rezoning the remnant agricultural lands from AG2 to Agriculture, Subzone 6 (AG6) fulfills a condition relating to the approval of a surplus farm dwelling severance application heard by the Committee of Adjustment. Staff had no concerns with the severance application and have determined that the proposed rezoning is consistent with the Official Plan. No new development is proposed.

## **Provincial Policy Statement**

Staff have reviewed this proposal and have determined that it is consistent with the Provincial Policy Statement, 2014.

## **RURAL IMPLICATIONS**

This Zoning By-law amendment restricts new residential development and prevents the loss of agricultural land to other competing uses. This Zoning By-law amendment protects the rural landscape by supporting the continued productive use of agricultural lands.
