

Document 2 - External and Internal Stakeholder Groups

External Stakeholder Groups:

The following are examples of external stakeholder groups; however, the scope is not limited to the following. The consultation team will prepare a plan for engagement for each specific external stakeholder group.

- Business
- Community
- Cultural
- Development industry
- Education
- Environmental
- Francophones
- Government (Other levels, surrounding municipalities, NCC)
- Health and Wellness
- Housing
- Indigenous Peoples
- LGBTQ+
- New Canadians
- Older adults
- People with disabilities
- People living in poverty
- Public
- Renters
- Rural
- Sports and Recreation
- Transportation
- Visible Minorities
- Women
- Youth

Internal Stakeholder Groups

The following internal stakeholder groups will require consultation throughout the project.

- Council
- Planning, Infrastructure and Economic Development Department
- Transportation Services Department
- Community & Social Services Department
- Emergency & Protective Services Department
- Recreation, Cultural & Facility Services Department
- Ottawa Public Health
- Advisory Committees

- Public Works &
Environmental
Services
Department

Technical Advisory Committee: The requirement for one or more Technical Advisory Committees (TAC) will be determined as the projects proceeds. The TAC may be comprised internal subject matter experts on various sections of the Official Plan. The project team will determine membership of the TAC and/or internal stakeholders. Potential to develop a public land group that would include internal City departments and other owners of public lands (other government levels, school boards, NCC etc.).

Advisory Committees: The City's Advisory Committees will be circulated information as part of the consultation phases of the project and their input may be requested, where appropriate. These committees include:

- Aboriginal Working Committee
- Accessibility Advisory Committee
- Arts, Culture, Heritage and Recreation Advisory Committee
- Environmental Stewardship Advisory Committee
- French Language Services Advisory Committee
- Ottawa Youth Engagement Committee
- Planning Advisory Committee
