Description of site and surroundings

This site is located on Marvelville Road within Ward 20, with frontage on both Marvelville Road and 9th Line Road. The entirety of the parcel is approximately 20.72 hectares in size. The parcel is surrounded with similar agricultural operations. The property currently has a detached dwelling and an accessory structure which have frontage along Marvelville Road.

Summary of requested Zoning By-law amendment proposal

The application has been submitted in order to fulfill a condition of severance approval imposed by the Committee of Adjustment with respect to application D08-01-19/B-00257. The intent is to restrict residential uses on the retained lands.

Brief history of proposal

The lands to which the proposed Zoning By-law amendment applies were the subject of an application for a surplus farm dwelling severance. The severance request was granted by the Committee of Adjustment on September 18, 2019 with a condition that the owner rezone the retained farmland to prohibit residential development.

The site is currently zoned Agriculture, Subzone 2 (AG2). It is proposed to rezone approximately 20 hectares of farmland to AG6 to restrict future residential use in

accordance with a condition of severance. The remaining land area containing the farmhouse and accessory structures (approximately 0.72 hectares) will remain zoned AG2.

DISCUSSION

Public consultation

Notification and public consultation was undertaken in accordance with the Public Notification and Public Consultation Policy approved by City Council for Zoning By-law amendments. No concerns were identified.

Official Plan Designations

The property is designated Agricultural Resource Area as per Schedule A of the Official Plan. This designation protects prime agricultural areas from loss of lands to other uses. Severances are permitted for a surplus dwelling due to farm consolidation [Section 3.7.3.7]. Section 3.7.3.8.b requires the vacant agricultural parcel be rezoned to prohibit any future residential use, and (8c) stipulates that the size of the severed lot be a size that minimizes the loss of agricultural lands. This Zoning By-law amendment application satisfies the requirements of the Official Plan [Section 3.7.3.8.b] as conditioned by the Committee of Adjustment.

Planning Rationale

This Zoning By-law amendment will affect approximately 20 hectares of agricultural land, as shown in Document 1. This Zoning By-law amendment to rezone the remnant agricultural lands from AG2 to AG6 fulfills a condition relating to the approval of surplus farm dwelling severance application heard by the Committee of Adjustment. Staff had no concerns with the severance application and have determined that the proposed rezoning is consistent with the Official Plan. No new development is proposed.

Provincial Policy Statement

Staff have reviewed this proposal and have determined that it is consistent with the Provincial Policy Statement, 2014.

RURAL IMPLICATIONS

This Zoning By-law amendment restricts new residential development and prevents the

loss of agricultural land to other competing uses. This Zoning By-law amendment protects the rural landscape by supporting the continued productive use of agricultural lands.
