

2020-2021 Forecast Capital Construction - AAC (Short List)

The list below shows the 2020/2021 projects on which your feedback is requested. For these projects, the City of Ottawa Accessibility Design Standards will be applied to the greatest extent possible.

Many of these projects contain exterior paths of travel for which the potential provision and placement of a rest area will be decided in the upcoming design phase of the project based on numerous factors, such as the results of the consultation, available space, property requirements, location of transit stops, and volume of pedestrian traffic. If a rest area is to be provided on an individual project, its design would follow the Accessibility Design Standards.

Many of the projects listed have existing on-street parking areas which are available to Accessible Parking Permit holders. Any adjustments to those areas would be determined during the upcoming design phase of the project.

May 07, 2020

Item	Construction Year	Location Description	From Street	To Street	Type of Work	Ward Description
1	2020	OLD GREENBANK ROAD AND KILBIRNIE DRIVE	NOT AVAILABLE	NOT AVAILABLE	Intersection Modifications	Jan Harder - 3
2	2020	VARLEY DRIVE	BEAVERBROOK LANE	CARR CRESCENT	New Sidewalks	Jenna Sudds - 4
