

Modification to Official Plan Amendment N^o 136, Regarding Minimum Building Heights
in Kanata Town Centre

ACS2020-PIE-EDP-0006

Kanata North (4); Kanata South (23)

Report recommendation

That Planning Committee recommend that Council approve a modification to Official Plan Amendment No. 136, to be approved by the Local Planning Appeal Tribunal, as attached as Document 1.

Ward Councillor J. Sudds provided comments in support of the report recommendation.

Councillor Hubley also spoke in support, noting that the item also impacts Ward 23, and he asked that the documentation be updated to reflect as such.

The following correspondence was provided to the committee coordinator between March 30 (the date the report was published to the City's website with the Planning Committee agenda) and the time it was considered on April 9, a copy of which is held on file:

- Email dated March 31 from Martinraj Manadan
- Email dated April 6 from Ursula K. Melinz, Partner, Soloway Wright LLP, for Richcraft
- Emails dated April 8 and 9 from Trevor Haché, board member & co-founder, Healthy Transportation Coalition.

Planning Committee CARRIED the report recommendation as presented.
