

TRC - Motions & Directions to Staff

Other Outstanding Motions and Directions **Last Revised: 27 Feb 2020 (Caitlin Salter MacDonald)**

Subject	Meeting Date	Moved by	Disposition/Minutes	Referred to	Status Update
SNOW REMOVAL IN SCHOOL DROP-OFF ZONES - MOTION - Direction to Staff: That staff be directed to, as part of the Winter Operations Review, to explore opportunities to coordinate road and sidewalk maintenance at school loading zones and explore opportunities to partner with School Boards to coordinate winter maintenance activities with the City of Ottawa with the goal of keeping sidewalk edges in front of school loading zones clear within existing resources.	02-Sep-15	M. Fleury	Link to Minutes - 2 Sept 15	PWESD	In Progress: This will be addressed as part of the MQS Review ahead of the 2022 Budget.
MOTION: Therefore be it resolved that the TRC direct staff to review its winter maintenance standards to improve the condition of the roads, sidewalks, and other pedestrian facilities for its residents during the winter months and have staff bring forward a report for consideration as part of the 2022 budget	03-Apr-19	T Kavanagh	Disposition 3-Apr-19	PWESD	In Progress: Staff will report back to committee ahead of 2022 winter season.
That Transportation Services staff look at other jurisdictions that use the warrant system and how they balance the ongoing concerns and report back to the Transportation Committee. Additionally, a further direction was provided to have Traffic Services more involved in the sub-division process and that their comments be included in the final sub-division proposal that is brought forward to the ward councillor and/or Committee.	01-Nov-17	K. Egli/ S. Blais	http://app05.ottawa.ca/sirepub/mtgviewer.aspx?meetingid=7011&doctype=SUMMARY	TSD/ PIED	In Progress: A review of the Warrant System is being completed by Traffic Services and a report will be brought forward to TRC in October 2020. PIED staff and TSD will work on how to approach the sub-division piece.
Direction to Staff: Coun. Hubley asked staff to see if schools could fund crossing guards where they were removed because the count is less than 10. Traffic will need to discuss with Legal.	5-Jun-19	Hubley		TSD	Traffic to discuss with Legal as to whether this is possible. June 29 - Legal Services are looking into the matter and are anticipating to have a response by the end of July. Sept. 5 - Traffic received response from Legal Services. Reaching out to Financial Services to see whether they would like to include information as part of our response to C. Hubley. On-going.
Motion: Therefore it be resolved that the Transportation Committee recommend that City Council waive the requirements of the City's Municipal Parking Management Strategy to install bike racks only in paid parking areas and extend the pilot project for 2019 to install bike racks at up to an additional 50 OC Transpo bus stops both within and outside paid parking areas, as described in this motion, to be funded from within the existing parking operations budget, on the understanding that any additional funds required will be transferred from the Parking Reserve Fund to an upset limit of \$30,000	3-Apr-19	Menard		TSD	Received April 3, 2019 - Transportation Planning and Transit identify the locations and PWES installs the bike racks. This is an ongoing pilot project.

<p>Inquiry 02-19 Present TRC with its position and the information that was sent to the City of Gatineau and the WSP consultant regarding the Additional Study for a Structuring Public Transit System in Gatineau's West End? Specifically, provide the information on the topic of the Portage Bridge as a light rail transit or tram route and integrating it with the Confederation Line LRT station. Additionally, identify the City's position regarding the use of the Prince of Wales Bridge as another solution to the need for public transit connecting Ottawa and Gatineau.</p>	5-Jun-19	Fleury		TSD	<p>July 16 - Mayor's Office, GM and Coun. Fleury have agreed to a presentation from STO to replace the inquiry response. The presentation will take place at TRC on November 6. Sept. 5 - STO study is planned as a presentation from STO at November TRC. Timing still to be confirmed because STO might not be able to come until December or early 2020</p>
