

## Document 1 – High-Volume Intersections Part of Other City Projects or Outside the City’s Jurisdiction

The locations listed below were recently redesigned, included in ongoing safety reviews, in the planning, design or construction phase of a project or confirmed to be outside of the City’s jurisdiction. Conceptual designs and rough order-of-magnitude (Class D) cost estimates were not developed for these locations.

**Table 1 – List of Intersections with rationale and project description**

Item No.	Intersection	Ward #	Rationale	Project Description
1	Albert St. @ Booth St.	14	Planned project	LRT Stage 1 reinstatement
2	Albert St. @ Preston St.	14	Planned project	LRT Stage 1 reinstatement
3	Bank St. @ Chamberlain Ave./ Isabella St.	17	Planned project	Chamberlain, Catherine and Isabella Functional Design Study
4	Bank St. @ Laurier Ave. W	14	Recent Safety Review	Laurier Avenue Safety Review
5	Bank St. @ Riverside Dr. S	16/17	Planned project	Bank St Renewal (Riverside Dr N to Ledbury)
6	Bank St. @ Wilton Cres.	17	Planned project	A Multi-Use-Pathway (MUP) will be constructed on Bank over the Rideau Canal in 2021. Modifications to Bank Street as a result of this project will also include the Bank at Wilton intersection. The project was approved by Council on September 9 2020 as a result of Councillor Menard’s Installation of Safety Enhancements on Bank Street Canal Bridge ( ) ACS2020-OCC-TRC-0010).
7	Baseline Rd. @ Farlane Blvd.	9	Planned project	Baseline Road Rapid Transit Corridor

Item No.	Intersection	Ward #	Rationale	Project Description
8	Baseline Rd. @ Prince of Wales Dr.	16	Planned project	Baseline Road Rapid Transit Corridor
9	Beechwood Ave. @ Vanier Parkway	14	Recently redesigned	Beechwood Complete Street
10	Booth St. @ Sir John A. Macdonald Parkway /Wellington St.	14	Under construction	Ottawa Cycling Plan
11	Carling Ave. @ Holland Ave.	15	Planned project	Carling Avenue Transit Priority Measures
12	Carling Ave. @ Merivale Rd.	15/16	Planned project	Carling Avenue Transit Priority Measures
13	Carling Ave. @ Parkdale Ave.	15	Planned project	Carling Avenue Transit Priority Measures
14	Carling Ave. @ Preston St.	14/17	Planned project	Carling Avenue Transit Priority Measures
15	Elgin St. @ Catherine St.	14	Planned project	Chamberlain, Catherine and Isabella Functional Design Study
16	Elgin St. @ Somerset St. W	17/18	Completed project	Elgin Street Renewal
17	Fisher Ave. @ Baseline Rd.	9/16	Planned project	Baseline Road Rapid Transit Corridor
18	Hawthorne Ave. @ Colonel By	17	Planned project	Greenfield, Main, Hawthorne reconstruction project
19	Hawthorne Ave./ Elgin St. @ Queen Elizabeth Driveway	17	Federal jurisdiction and Bridge Constraints	Bridge widening would be required. A jug-handle will be constructed at Elgin/Isabella/QED and the floating bike lane will be removed as part of the Elgin St. reconstruction.
20	Hunt Club Rd. @ Riverside Dr.	16	Ongoing safety review	Riverside at Hunt Club In-Service Road Safety Review
21	Island Park Dr. @ Carling Ave.	15/16	Planned project	Carling Avenue Transit Priority Measures

Item No.	Intersection	Ward #	Rationale	Project Description
22	Island Park Dr. @ Clearview Ave.	15	Federal jurisdiction	N/A
23	Island Park Dr. @ Sir John A. Macdonald Parkway	15	Federal jurisdiction	N/A
24	Laurier Ave. W @ Elgin St.	14	Recent Safety Review	Laurier Avenue Safety Review
25	Laurier Ave. W @ Kent St.	14	Recent Safety Review	Laurier Avenue Safety Review
26	Laurier Ave. W @ Lyon St. N	14	Recent Safety Review	Laurier Avenue Safety Review
27	Laurier Ave. W @ Metcalfe St.	14	Recent Safety Review	Laurier Avenue Safety Review
28	Laurier Ave. E @ Nicholas St.	12	Planned project	East-West Bikeway – Laurier Avenue (Nicholas to Waller)
29	Laurier Ave. W @ O'Connor St.	14	Planned project	O'Connor St. Bikeway Phase 2
30	Lees St. @ Main St.	17	Recently redesigned	Main Street Renewal / Main Street Cycling Facility Review (Hwy 417 to Lees) will determine if any possible improvements can be made for southbound cyclists on Main in the future.
31	MacKenzie Ave. @ Rideau St.	12	Planned project	Wellington Street Cycling Facility
32	Montreal Rd. @ Aviation Parkway	13	Planned project	Montreal-Blair Road Transit Priority Corridor Planning and Environmental Assessment Study
33	Montreal Rd. @ North River Rd.	12	Planned project	Montreal Road Revitalization currently under construction
34	Moodie Dr. @ Corkstown Rd.	7	Planned project	LRT Stage 2

<b>Item No.</b>	<b>Intersection</b>	<b>Ward #</b>	<b>Rationale</b>	<b>Project Description</b>
35	O'Connor St. @ Somerset St. W	14	Recent Safety Review	O'Connor Safety Review
36	Riverside Dr. @ Walkley Rd.	16	Recently redesigned and planned cycling project	Minor changes through Cycling Safety Improvement Program Walkley Cycling Facility – Riverside Drive to Bank Street
37	Scott St. @ Holland Ave. / Tunney's Pasture Driveway	15	Planned project	Reconfiguration of Scott and Albert Streets after removal of reserved bus lanes
38	Scott St. @ Island Park Dr.	15	Planned project	LRT Stage 2
39	Scott St. @ Parkdale Ave.	15	Planned project	Reconfiguration of Scott and Albert Streets after removal of reserved bus lanes
40	Sussex Dr. @ St Patrick St.	12	Planned project	ByWard Market Public Realm Study
41	Waverly St. W @ O'Connor St.	14	Recent Safety Review	O'Connor Safety Review
42	Wellington St. / Rideau St. @ Elgin (W)	14	Planned project	Wellington Street Cycling Facility
43	Wellington St. @ Elgin St. (E)	14	Planned project	Wellington Street Cycling Facility
44	Wellington St. @ Lyon St.	14	Planned Project	Bay Street cycling facilities are expected to mitigate safety concerns and long-term plans will include an off-road bi-directional cycling facility on the north side of Wellington.
