**PURPOSE OF THE APPLICATION:**

In 2019, the Committee of Adjustment adjourned this application to allow time for the Site Plan Control Application to proceed further into the process. On August 19, 2020, the Committee adjourned this application to allow the Owner time to revise its application to delete and add a Minor Variance request. Additionally, on September 16, 2020, the Committee adjourned this application to allow the Owner time to address community feedback in particular in regards to the southerly interior side yard and rear yard balconies.

The Owner is reapplying with the required revisions to demolish the existing low-rise apartment building and construct a four-storey, 15-unit low-rise apartment building, with rooftop terrace and seven underground parking spaces, as shown on revised plans dated September 22, 2020, filed with the Committee.

**RELIEF REQUIRED:**

In order to proceed, the Owner requires the Authority of the Committee for Minor Variances from the Zoning By-law as follows:

- a) To permit a reduced northerly interior side yard setback of **1.20 metres**, whereas the By-law requires a minimum interior side yard setback of 2.5 metres where the building wall is greater than 11 metres in height for any part of a building located within 21 metres of a lot line.
- b) To permit a reduced southerly interior side yard setback of **1.86 metres**, whereas the By-law requires a minimum interior side yard setback of 2.5 metres where the building wall is greater than 11 metres in height for any part of a building located within 21 metres of a lot line.
- c) To permit a reduced rear yard setback of **15%** of the lot depth or **4.14 metres**, whereas the By-law requires a minimum rear yard setback of 30% of the lot depth which, in this case, is 8.3 metres.
- d) To permit a reduced rear yard area of 15% of total lot area or 86.1 square metres, whereas the By-law requires a minimum rear yard area of 25% of total lot area which, in this case, is 137.3 square metres.
- e) To permit a balcony to project into a rear yard on a lot with a lot depth less than 30 metres, whereas the By-law states that a balcony is not permitted to project into a rear yard on a lot with a lot depth less than 30 metres.
- f) To permit a portion of the required communal amenity area to be located above grade (on the rooftop terrace), whereas the By-law requires that all required communal amenity area must be located at grade in the rear yard.
