SUBJECT: Commemorative Naming Proposal – Hermas Saumur Family Forest

Saumur**

REPORT RECOMMENDATION

That the Community and Protective Services Committee recommend Council approve the proposal to name the unnamed woodlot, located at 1054 Prestone Drive, the “Hermas Saumur Family Forest”

RECOMMANDATION DU RAPPORT

Que le Comité des services communautaires et de protection recommande au Conseil d’approuver la proposition visant à ce que la forêt, situé au 1054, promenade Prestone, soit nommée « forêt de la Famille-Hermas-Saumur »

BACKGROUND

The Commemorative Naming Policy, approved by City Council on July 24, 2002, as amended, outlines the criteria and process for commemoratively naming municipal streets, parks and facilities (or parts thereof).

Where the naming of a street, municipal park, parts of a park, facility, or parts of a facility is being requested, at least one of the following criteria shall apply:

- Demonstrated excellence, courage or exceptional service to the citizens of the City of Ottawa, the Province of Ontario and / or Canada;
- Provided extensive community service, or who have an extraordinary community service record;
- Worked to foster equality and reduce discrimination;
- Where the nominated individual is a current City employee, the individual shall have made an outstanding contribution to the City of Ottawa outside of his/her capacity and duties as a City employee or they may be recognized for their exceptional service once they are no longer a City employee;
- The nominated individual has made a significant financial contribution to a park or facility and the contribution significantly benefits the community that the park or facility serves (i.e. the park or facility may not have otherwise been possible without the financial assistance);

- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario, or Canada.

Any member of the public or City Council may submit a name to the City for consideration through a formal Commemorative Naming application and supporting material.

The proposed name is reviewed against criteria such as potential issues for 9-1-1 or whether there is an existing commemoration for the same nomination. If there are no issues of concern, the Commemorative Naming Committee (“CNC”) will meet to review the formal application and proposal. The CNC membership is the City Clerk and Solicitor, the General Manager, Planning, Infrastructure and Economic Development, the General Manager, Recreation, Cultural and Facility Services, the General Manager, Public Works and Environmental Services, the Mayor and the Ward Councillor, or their respective designates.

As part of the process, the CNC provides an initial approval based on the policy’s criteria and the information provided by the nominator. To ensure there is community support for the choice, staff will initiate a 30-day public consultation phase. Where the proposal is to rename a park or facility, the Policy requires a 60-day public consultation phase.

Following the consultation process, the CNC reviews the public feedback and makes a final recommendation on the nomination, followed by consideration by the appropriate Standing Committee and City Council. If no public objections are received, the Committee and Council will consider the proposal directly, without the need for a second CNC meeting.

DISCUSSION

Louis V. Patry, submitted an application to commemorate Hermas Saumur, as described in Document 1. Under the proposal, the unnamed woodlot, located at 1054 Prestone Drive, will be named the “Herms Saumur Family Forest”.

The CNC met on October 29, 2020 to review the application and endorsed the proposed name for public consultation under the following criterion:

- The nominated name has historical significance to the community, City of Ottawa, Province of Ontario or Canada.

In accordance with the Council-approved Commemorative Naming Policy, in cases where there is no objection received during the public consultation period, a report can be submitted directly to the appropriate Standing Committee and Council, without reconvening a CNC meeting.

As the public consultation period did not result in any objections, the Community and Protective Services Committee will consider the “Hermas Saumur Family Forest” proposal directly.

Document 1

Hermas Saumur Family Forest (Ward 1 – Orléans)

In recognition of the historical significance and demonstrated courage of Hermas Saumur, the City has been asked to name the unnamed woodlot, located at 1054 Prestone Drive, the “Hermas Saumur Family Forest”. During the First World War, Mr. Saumur served in the Canadian armed forces, where he was deployed to England and France as part of the 38th battalion. His four sons would follow in his footsteps and all become Canadian armed forces veterans. After WWI, Hermas was Chairman of the Orléans Village Council from 1935 to 1937 and a member of the Supervisory Board of the Caisse populaire d'Orléans from 1955 to 1959. The Saumur family has a long history within Orléans. Mr. Saumur was also a building contractor and mason; he subsequently built several houses in Orléans, some of which have received heritage designation.
